Greetings from Sharjah Commerce and Tourism Development Authority and many thanks for your continued cooperation with the Authority,  
In reference to the above topic, and based on the decision issued by the Emergency, Crisis and Disaster Management Team in the emirate of Sharjah, we would like to inform you that a decision has been made to reopen and carry out the activities related to desert tourism trips in the desert areas of the emirate.

Accordingly, and before resuming the activity, all preventive measures and procedures must be taken according to **the guidelines for desert activities (safari) during the Covid-19 period**, available in the below link:
